*Our mission is to welcome all people to know and live as Christ in the world*

**December 2020**

## *From the Dean's Pen ...*

Dear Members and Friends of Trinity Cathedral,

**G**race and Peace be with you from our risen Lord and Savior Jesus Christ. *Amen.*

I cannot help but note as I look around the community and see with printed and reported media, that once the election week was over, people immediately gravitated to Christmas decorating and preparations. It was an immediate visible statement that people are wanting (better yet, craving!) to grasp and hang on to hope and joy.

More than any other year that I can recall in my decades of life has there been such an outcry for something positive, something hopeful, something that can give us joy and renewed life. How

coincidental that this comes at the threshold of Advent? This has always been my most favorite season of the Liturgical Year; but this year I am even more excited. With its themes and messages of hope, peace, joy and love, we are being overwhelmingly gifted beyond overflowing with our awareness of God's grace and blessing. Like dry sponges, or dry bones as referenced by the prophet Ezekiel, we are soaking up all that we can to feel, and know, and embrace what we are privileged to grasp because of our relationship with Christ. It is like we have been freed of oppression or lifted out of darkness and death into the light.

With Advent and Christmas, we offer opportunities to experience such hope, life, and renewal. We are tired of isolation and distancing; we simply miss each other and want to see and be with one another. With the Wednesdays of Advent we will host at 7:30 PM a brief devotion with time to "see one another." We will use Zoom and arrange "rooms" of small groups to rotate around and have opportunity to simply "see" and visit with one another (like a coffee hour).

We are posting our on-line services for Christmas and ask that you send an invite for family and friends to join us. May all that this Season can offer bless you richly and sustain you during these challenging times.

With gratitude and great blessings,

*Father William+*

**Got A Phone?**

You may be sick of me continually rattling on about Zoom meetings, but I have a new idea to share, so please humor me. Most of you know that in these Covid times, Zoom is all the rage as we try to work from home, conduct church business, teach Bible classes and Sunday School, lead EYC (Episcopal Youth Community) meetings and grief support groups, and connect with family and friends. We all long for the days when we can meet in person, but for now this is what we have, and I must say that when ever I'm in a Zoom meeting I am grateful that we can see and talk without wearing masks, knowing that each of us is in a safe place, with no physical distancing needed!

Not everyone has a computer or the internet, of course, and that leaves many of you feeling like you are out of the loop when it comes to participating in this new world of Zoom. However, if you own a phone, you can get on Zoom meetings, no internet or computer needed. For meetings hosted by the Trinity staff, once you have decided which Zoom meeting you want to attend, call us at the church to get the meeting ID number and the passcode. When it is time for your meeting to start, you call the number for our area which is 1-669-900-9128. You will be prompted to put in the meeting ID number and hit #; then you will be asked to enter the participant ID number, but ignore that and hit # again; then the passcode number goes in, # again, and bingo, you're in the meeting. You will not be able to see the other participants, nor they you, but you will be able to hear the conversation and join in. These instructions are for regular phones. If you have a smart phone, it's a little different, and we can help you with that, but again, no computer or home internet connection is needed.

During Advent our Wednesday evenings will be conducted on Zoom, so I hope you will give this a try, as well as considering some of our many other programs (all described somewhere else in this newsletter). We miss you and want to spend some time with you. As always, call if you have questions or need some encouragement. We can walk you through the process.

Blessings to you all,  
Rev. Ruth+

**A Stewardship message from Lynne Charlat, Junior Warden**

Together with our Campaign Co-Chairs, I humbly offer a heartfelt thank you to all our parishioners who have returned their pledge for the 2021 "Here I am Lord" Stewardship Campaign. As of the first of December, we have received pledges from 171 households in the amount of \$433,321. We acknowledge we are not where we need to be for 2021 to fully support our staff and programming at current levels. Last year's budget was built upon the gifts of 226 households representing \$610,000 in pledges, as well as open plate and other non-pledge income. That form of additional giving is now more limited due to our inability to gather and worship in person. As we embrace Advent, the season of hope, we are confident in our ability to emerge from these difficult days filled with love, renewed in strength, and with our hands ready to engage in and carry out Trinity's mission and ministry into the future. To do that we must be like the proverbial chain, and we need each link in our chain to be committed to our collective future. Your pledge in this time could not be more critical.

Terry Cain and Lindsay Campbell, our Stewardship Campaign Co-Chairs, have worked extremely hard to present a wonderful stewardship campaign for us this year. You received their literature and hopefully have watched the stewardship campaign videos posted on our website at [www.trinityreno.org](http://www.trinityreno.org). We have a dedicated and committed staff working exceeding hard to help us be the church in the world and sustain us individually and corporately until we are able to gather again. We are counting on each one of us who has not yet completed and returned their 2021 pledge in support of our Cathedral's mission and ministries to place their link into our chain to help us attain the financial support we need for 2021 to be the vibrant parish we are.

May our spirits be filled with the hope and joy of Christ's coming.

## Sanctuary Renovation

---

It seems only fitting that on the cusp of Advent, a time of celebration and anticipation, your vestry unanimously approved the cost and plan for the renovation of our cathedral. Construction is slated to begin in early January with an anticipated completion date in early August. This significant milestone caps several months of intensive work and review.

### **Our Journey:**

Your generous gifts to our Faith Like A River campaign are now giving rise to the first phase of improving the cathedral's accessibility and creating a more welcoming sanctuary. While our initial schedule envisioned beginning construction by the first of July, an unexpected factor impacted this ambitious plan. The initial construction bid to complete the work, as originally conceived prior to the formation of the Construction Committee, was far higher than expected, primarily driven by a state-of-the-art, but ultimately unaffordable, air conditioning system. In addition, the careful removal of our

Cassavant organ for safe keeping revealed perilous metal fatigue in many of the façade pipes which are now being repaired. The substantial cost of removing, storing, and making needed repairs to the organ was not fully understood or anticipated.

Over the past several months, members of the Cathedral's Construction Committee, assisted by the Finance, Facilities, and Administration Committee, closely examined every aspect of the project design and every line of the bid. We worked with our architect and team at Dianda Construction, now Plenum Builders, to bring the scope of the project back to within our project budget while retaining the twin objectives of accessibility and welcome.

### **We are now ready to begin anew:**

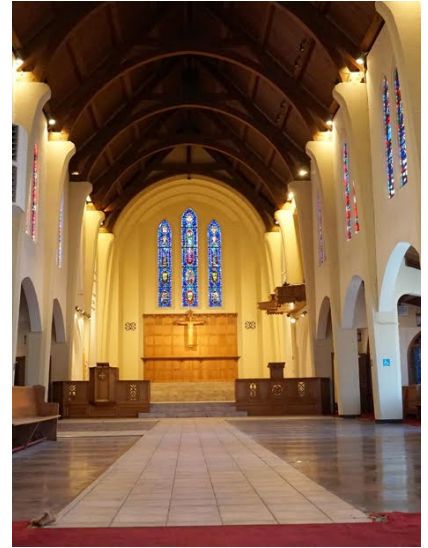

Identifying "must-have" components and prioritizing "nice-to-have" options so we can move forward within budget has been successfully achieved: the original proposed construction bid was more than \$2.9 million. The Committees identified and agreed upon cost savings of approximately \$968,000. Taking into account costs related to construction and architecture, the final overall renovation budget is just under \$2 million. Bringing our beloved organ home is expected to cost at least an additional \$100,000. The redesign of our cooling system allows the schedule for completing this phase to be compressed from more than 12 months to seven months. Permits have already been issued by the city, and Plenum Builders (formerly known as Dianda Construction) is now poised to move forward.

While we didn't expect to push the pause button, this intensive review of the design and costs has ensured good stewardship of your campaign pledges and donations entrusted to us, and this will continue throughout the entire project. If you have any questions or would like further information, please feel free to contact any of the members of either the Construction or Finance and Administration Committees: Ed Allen, Howard Bennett, Terry Cain, Lindsay Campbell, Lynne Charlat, Harvey Fennell, Jim Lamb, John Lilly, David Morgan, or Stephanie Tall.

I am grateful for the patience and generosity of our Trinity family as well as the commitment and tenacity of our two leadership committees as we have successfully worked through our challenges to bring us to this day of celebration in our season of anticipation of the coming of the Christ child.

Emmanuel – God with us.

Lynne Charlat, Junior Warden

### How Firm a Foundation

Dear Trinity, I have been on a “deep dive” into our parish history through photos and documents. As you know, there are important photos lining our office hallway, and many are easily viewed on our Facebook page. I’m so grateful to long-time members like Debbie Zalmana and others who’ve taken time to share stories and fill in some missing pieces for me. As a new member of the Trinity family it’s very important for me to put our church into proper historical context as we approach our 150th anniversary. What’s very clear to me is we have a rich legacy and a strong foundation laid by the saints who’ve come before us. We must never forget that our physical building stands as a testament to their faith in God even through two major floods! Equally important is their trust that we will carry the torch for future generations. I’ve also learned that the need for our work in Reno and beyond has never been greater. So we must be vigilant, “press toward the mark of our high calling,” and not allow our current challenges to keep us from being the church.

On Sunday, Canon Ruth mentioned the need to “suss out” the Gospel in the series of bleak readings that ended the church year. And, let’s face it, 2020 has also presented us with unimaginable challenges. How do people of faith respond? Where do we find an encouraging word to help us persevere? As your music minister, I suggest the hymns of our faith are second only to scripture as a pillar of support in times of grief, uncertainty and despair. So, as we approach the first Sunday of Advent, the day of Hope, ponder these words carefully and let them take deep root in your heart.

How firm a foundation, ye saints of the Lord<br/>is laid for your faith in God’s excellent Word!<br/>What more can be said than to you God has said,<br/>to you who for refuge to Jesus have fled?</p>            | <p>3. When through the deep waters I call thee to go<br/>the rivers of woe shall not thee overflow;<br/>for I will be near thee, thy troubles to bless,<br/>And sanctify to thee thy deepest distress.</p>  |
| <p>2. Fear not, I am with thee, oh, be not dismayed,<br/>for I am thy God, and will still give thee aid.<br/>I’ll strengthen thee, help thee, and cause thee to stand,<br/>upheld by my righteous, omnipotent hand.</p> | <p>4. The soul that on Jesus still leans for repose,<br/>I will not, I will not desert to its foes;<br/>that soul, though all hell should endeavor to shake<br/>I’ll never, no never, no never forsake!</p> |

### Comfort at Christmas: A Service for Those in Bereavement

*(A Virtual Service on the Cathedral Facebook and YouTube Page)*

Thursday, December 3, 2020 at 7:30 PM

Not everyone experiences the holidays as a time of joy and cheer. Not only with the stress of the coronavirus, an economic strain, world-wide natural disasters, political tensions, issues of prejudice and equality, we struggle with our own experiences of loss of a loved one, a job, or housing. The days seem dark, rarely hopeful, and we struggle just to life up our heads. Perhaps we are feeling disconnected from the world around us, not only because of social isolation, but because we simply cannot connect emotionally. We are tired, drained, and seemingly sit in the shadow of death. This special service designed for any of you who find yourself in this precipice.

It is one way to be able to open our eyes to the light and feel uplifted as we seek to offer our pain and worries to God, and seek healing and patience to be able to put one foot in front of the other. Join us as you are able for this time of meditation, music, prayer, and a sacred moment with God. Christmas is a time for us to bring Christ back into our hearts – welcome Him!

### Mid-Week Advent Observance

Wednesdays, December 2, 9, 16, & 23 at 7:30 PM

Do you miss seeing your fellow church members? This is a virtual opportunity to come together with a Zoom Meeting, have a brief prayer service together with the Advent “Theme of the Week” and to visit and converse with one another. Our themes are:

December 2 – **Hope**;  
 December 9 – **Peace**;  
 December 16 – **Joy**;  
 December 23 – **Love**.

For those attending, we will have the opportunity after our prayer service, to be divided into virtual rooms that will rotate folks so that, in smaller groups, we can converse and visit. We will be able to accommodate up to 100 people, if needed.

---

### Special On-line Worship Information

At present, in dealing with the challenges of internet connectivity when you log into our worship Services – especially seeking to observe “live” recording - please use our Facebook platform for viewing “live.” We are able to record onto Facebook live, and then we upload to YouTube. The double demand for uploading is challenging with limited bandwidth, which frequently makes us lose connectivity while recording.

### CHRISTMAS Poinsettias and Greenery for our Decorating

The beautiful Crèche, flowers, and candles are an important part of our worship during the Christmas Season. Your donations help fund the flowers and greenery for Advent, Christmas, and other times of the year. Please include a note how to designate your donation in the bulletin. Please make your check payable to Trinity Cathedral with the memo notation: “Christmas Decorations”, and mail to the church office (PO Box 2246, Reno NV 89505) or drop it through the mail slot at the Parish office. **All donations received by Wednesday, December 16<sup>th</sup> will be noted in the Christmas bulletins. THANK YOU!**

## Stewardship Pledges Update

Thanks to those who have returned their 2021 pledges for the "Here I am Lord" stewardship campaign before the requested deadline! As of the first of December, we have received 152 pledges totaling more than \$403,200 unfortunately, this is short of our 2021 goal of \$780,000. However, it is not too late, and we hope that additional pledges will be made before the vestry needs to adopt a 2021 budget. For comparison, last year we received a total of 226 pledges. If parishioners who pledged last year but not yet this year made similar pledges in the coming days, we would approach our goal. If additional parishioners pledged, we could exceed it!

Stewardship information and pledge forms, as well as the new series of informational videos is posted on the website at [www.trinityreno.org](http://www.trinityreno.org). Episodes feature Trinity parishioners discussing just a small sample of our compassionate service, healing, and outreach ministries. Stewardship pledges support these activities and so much more.

If you have not yet pledged, please consider doing so. You can submit your pledge by returning the pledge form mailed to you earlier; by pledging on-line at [www.trinityreno.org](http://www.trinityreno.org); or by sending an email with your pledge information to [finance@trinityreno.org](mailto:finance@trinityreno.org)

For further information on the stewardship campaign, please contact any member of the vestry or the stewardship co-chairs, Terry Cain and Lindsay Campbell.

## A Lot of Good Men (ALOGM)

## A Lot of Good Men

Received some very sage advice recently about making sure our ALOGM community is keeping informed. Since the pandemic occurred in March the ALOGM activity has dwindled to near zero. I say near zero because there are pockets of 3-4 men who see each other on their own and others who call each other.

I encourage calling and keeping in touch if that suits your comfort level.

We would love to start getting together but it is not prudent, especially based on the recent Covid-19 statistics.

We hope that a vaccine arrives soon so we can get on with our lives.

But in the meantime, stay safe and keep healthy. Please reach out to each other.

If you have information that you feel the community should be made aware of, please pass it on to me and I will broadcast it for you.

Thank you

## WOULD YOU LIKE TO BE A PART OF THE CIRCLE OF FRIENDS?

Circle of Friends is a group of about ten people who commit to daily check-in phone calls with each other. This is how it works: You are given one name to call. You call this person, usually in the morning, but anytime is okay, to check in on them--how they are, what's going on for the day, etc. If for some reason you can't reach your person, there's a system in place to do a further check. In turn, you also receive a phone call from someone who checks in with you. Every so often, the leader of the group switches the names around, so you have a "new" person to call and you have a "new" person checking in with you.

If you would like to join this group, contact the leader, Dorothy Walrath, 775-829-0568 or [walrath1@aol.com](mailto:walrath1@aol.com).

Trinity's Sack Lunch Program requested that Trader Joe's donate 50 bananas for every Wednesday. Not only did the store agree immediately, but they now give us a whole crate which at present is enough for Wednesday, Friday, and sometimes even the following Monday. Next time you're in the store, please take a moment to thank them with all your heart.

*.....A Message from the Kid's Corner.....***Kids Corner....**

The first part of the Sunday school year has been a learning experience for all of us. We have learned to adjust and come together to continue bringing the gospel to our children. We now enter the Advent and Christmas season with its themes of hope, love, joy, and peace. Maya Angelou states:

"look heavenward and speak the word aloud.  
Peace. We look at our world and speak the word aloud.  
Peace. We look at each other, then into ourselves,  
And we say without shyness or hesitation:  
Peace, my Brother.  
Peace, my Sister,  
Peace, My Soul."

I deeply appreciate our students, parents, teachers, and mentors who help to make Sunday School and Youth programs meaningful for all.

**Here's a recap of the Godly Play Stories we studied this Fall and the ideas we explored:**

From the story of Noah's Ark: Noah was told by God to build an ark and God gave him instructions to follow. Explore what you might have thought if God asked you to build a boat.

From the story of Abraham and Sarah: This was a story about God keeping promises. Have you ever made a promise to a friend or to your parents? How did you feel?

From the story of Samuel: Eli taught Samuel about God. Who helps to teach you about God?

From the story of King David: Remember that God is with you just as God was with the people we have explored so far this year.

**Angel Tree Project**

The members of the Order of the Daughters of the King are pleased to report that in spite of the need to protect everyone from exposure to the COVID 19 virus, with the support of the clergy and the vestry, we were able to devise an all-email method of communication with our parishioners. We had a total of 114

Angels to be adopted at Stead Elementary School, each representing a needy child. 73 were adopted by parishioners who bought gifts for them and delivered those to Trinity. Many other parishioners donated money to be used to shop for the remaining children, and that also was accomplished. Thank you, Internet!

We thank Father William and Molly so much for being our back up when one of us was not physically present at the church. Trinity is fortunate to have such a dedicated team!

Thank you to everyone for stepping up to help us to make this a blessed Christmas for the less fortunate.

The members of the Order of the Daughters of the King

**St. Paul's Food Pantry**

As a reminder; in place of Food Drop Offs, we are suggesting making a much needed monetary donation through the mail to Trinity Cathedral, P.O. Box 2246, Reno, NV 89505( *Make your check to "St. Paul's Food Pantry"*) or drop the donation in the mail slot at the Parish office. This will be our practice for probably the next two months as we monitor the changing public health situation.
