Trinity Times

Our mission is to welcome all people to know and live as Christ in the world

Volume 16 — Issue 7

July 2020

From the Dean's Pen ...

Dear Members and Friends of Trinity Cathedral,
Peace and grace be with you from our risen Lord and Savior Jesus Christ. *Amen.*

Having closed down our cathedral facilities since the middle of March for in-person worship, social gatherings, and meetings, we continue to make this a top priority to protect us all from the ravages of the coronavirus COVID-19 pandemic. Even though after eight weeks of distancing and social isolation, and an economic decline, there has been a demand for loosening up the country and the rules. But as of today, we witness a rise of cases in at least 21 states. The death rate approaches 140,000 by the end of June. We are still living in the midst of a fatal disease that is far from being totally comprehended and controlled.

Our Church nationally and locally continues to look at the medical and scientific data in making choices that are consistent and supportive of our faithfulness to our Lord's teachings to love one another as we love and are loved by God. We continue to be the Church, yes, even as our buildings are closed. We are learning new ways to serve others and be the living presence of Christ in the world. Most importantly, we continue to pray for one another, our Church and community, and our nation, especially in light of the devastation with protests and violence imbedded in issues of discrimination and social injustice. We are living in a difficult time and much is being asked of us in continuing to demonstrate faithfulness and service in seeking hope and health for a broken world.

We have committed ourselves to create to the best of our abilities opportunities to keep us connected and comforted. In addition to streaming two Eucharists a week (Thursday and the Weekend), two Compline Services (Tuesday and Thursday at 7:30 p.m.), we continue with the monthly Trinity Times newsletter, occasional email Blasts, a recorded "Questions and Answers" session with Father William on Thursdays, and vestry and other volunteers making phone calls to our membership. Our Sack Lunch Program continues to serve three days a week, and we are doing a weekly Food Pantry drop-off on Tuesdays. Most of our ministry groups continue to meet virtually. Let us continue to support one another and do our part to stay well –

Being the Church
NOW MORE THAN EVER

Our Church's national, diocesan, mission district, and our state Interfaith Association's leadership continue to promote the health and safety of our members by keeping our facilities closed. The Center for Disease Control (CDC) categorizes churches, nursing homes, and prisons in the high-risk category because of the nature of our activities and interaction when gathered. We do not have all the

resources and means to circumvent the problem where we can truly be safe and well. The safest and surest thing we can do for our welfare is to continue to offer on-line worship and resources.

Update from Junior Warden

Cathedral Administrator

An update from your Junior Warden

In the spirit of love and faithfulness, I hope this update will serve to keep you connected to the ongoing work of the Trinity Cathedral and inspire your continued engagement and generosity. The work of the cathedral is more important now than it ever has been, and examples of what we are doing together include bringing communion to homebound members as is possible, visiting homebound members as is possible, collecting food for the St. Paul's Food Pantry, providing several opportunities for worship online through the week as well as a newly restarted online Bible and Books study group. We know that some of our ministry groups continue to connect online as we endeavor to be the church in the world. Your fidelity to this church family continues to be an inspiration, and your gifts of time, talent, and treasure have kept our ministries moving and helped meet the needs of our neighbors.

We know from our Treasurer David Morgan's financial report to the vestry on June 22nd that giving by our members has been running 15% – 18%, or maybe even a bit more, behind the same timeframe as last year. We also know considerable financial concerns exist in both our individual and communal lives. If you are able, maintaining your 2020 pledge is extremely important at this time. If you are in a secure place financially, we graciously ask you to please consider an additional donation to Trinity Cathedral as there

are likely those among us who are financially struggling to support the cathedral as they have in the past. Please do not hesitate to reach out to our clergy if you find you could use some support. Thank you for your continued financial support in these challenging times.

All pledges and other donations mailed to the cathedral office are processed in a timely manner. Additionally, you can make your pledge offering or other donation online by navigating to www.trinityreno.org. Click the **GIVE** button and it will take you to a payment portal where you can make a reoccurring or one-time payment. If you have questions regarding this process, please call the cathedral office or send an email to info@trinityreno.org.

Thank you for reading this update and for the ways you continue to support our community. No matter what challenges this world is presenting to us currently, our faith rests in the peace of God that passes all understanding. May our faith be continually strengthened for the journey ahead of us and may we all find peace in this time.

Faithfully

Lynne Charlat

***Trinity's Cathedral Administrator,
Molly Hogan Vatinel***

Born and raised in San Francisco, Molly spent her summers growing up working for her grandfather in Elko at the Commercial Hotel. She graduated from a Catholic girl's high school, Santa Catalina, in Monterey, California and received her B.A. in French literature and language from the American University of Paris.

She has been a stay at home mom with three children, worked in education and retail, at the corporate and management levels, and has years of experience in nonprofit work. She and her family have returned to live and work in Nevada several times over the last thirty years.

She is happy to be back in Reno where her mother, Mimi Ellis-Hogan and her eldest daughter, Mary Claire, a graduate of Sage Ridge and now, an interior designer, live. Molly has another daughter and a son, both of whom are in college in Southern California.

Molly is thrilled to be your new Cathedral Administrator and is very grateful to Father William, Rev. Ruth, Lynne Charlat, Jim Lamb, and David Morgan for their very warm welcome and support. Molly looks forward to meeting all of you and being a part of the Trinity Episcopal community.

Internet Access Survey

Dear Members of Trinity,

In my June newsletter article, I noted that some of our members do not have internet access and hence, the only reliable communication from this parish that reaches them is the monthly newsletter. I feel that an important part of pastoral care to facilitate as much contact with our members as we can during this COVID-19 time. At the end of this article you will find a questionnaire enquiring about your internet access. If you have internet access and a means of participating in Zoom meetings (a webcam on your screen), you do not need to fill out and return this questionnaire. For those of you who do not have internet access or do not have Zoom capabilities, please complete the form and return it to the office. We will then compile the information and try to find ways to get us all a bit better connected. Thank you for attending to this.

For those of you who do feel comfortable using Zoom, I would like to offer some chat times. We will call these **Coffee Hour Zooms**. You get your own coffee and noshes, and I will provide the invitation to the Zoom meeting. There will be no particular agenda, just a time to gather remotely and spend some time with one another. You will need to call the cathedral office (775-329-4279) or email me (revruth@trinityreno.org) to get on the list for an invitation. We will begin with two times and see if there is enough interest for more. I am proposing Wednesday mornings at 10:00 a.m. and a weekend time TBA.

Blessings to you all,

Rev. Ruth

Sanctuary Renovation

Organ Update

Sanctuary Renovation Update

By Lynne Charlat

David Chute and his Ministry of Service volunteers performed yeoman's work to empty the Sanctuary and Crypt in preparation for the start of our renovation project. I am most grateful to all these volunteers for the hours of work and attention to detail that was necessary to pack, inventory, record, and move much of the Cathedral's worldly possessions into safe keeping. Juliette Leneaux ensured the contents of our sacristy moved to the parish hall for use in our worship services there. Harold Campbell worked tirelessly as well putting his carpentry skills to good use ensuring storage shelves were built, pews were unbolted and moved along with numerous items accomplished known only to him. Harold constructed the frame and Sandi Brooke tailored the fabric that is now the beautiful backdrop for our online worship services in the Parish Hall.

I had been warned that construction projects are never easy to get up running, and our project has not been the exception. Our particular Achilles' heel has turned out to be the replacement of our beleaguered swamp cooler. Our architect designed a beautifully engineered displacement ventilation system for the sanctuary that would be best to preserve our historic structure, be most quiet when we are hosting wonderful music events, and would provide the most energy efficient cooling for the type of structure we are. However, it is exceedingly expensive and drove the renovation costs far beyond a comfort level. The Construction and FFA Committees struggled mightily to find the means to be

able to include this system in our renovation and determined that we would be able to use the considerable funds from an anticipated federal grant award to make the numbers work. The research and feasibility study around that expected grant funding revealed that we are not living in a normal world right now due to Covid-19 and other factors, and securing the particular grant we needed would be far more difficult than first assumed.

David Morgan, Jim Lamb, and I met to review our financial position as related to the Faith Like a River Campaign and determined a re-evaluation of the HVAC situation was warranted. Members of the FFA Committee along with Harvey Fennell, met several times to crunch numbers and determined that to proceed with the HVAC system as designed without the grant funding to pay for it, would have meant removing many of the items that are important to us including the new ADA bathrooms, all the millwork including the communion rails and the pulpit, the restoration of the pews, no new pew cushions, no new pendant lighting, some of the stained glass window work, and more. Our renovation budget of two million dollars simply cannot sustain an HVAC system that costs at least \$589,000. We currently are awaiting new bids for a new evaporative system or a ductless split system and hope to get back on schedule in July with a new approach to solve our HVAC needs.

Your Construction and FFA Committees are working hard to ensure our goals are met within budget and that our Sanctuary will continue to be a sacred place of refuge, renewal, and peace for all.

Casavant Frères Organ Update

As you know, Foley-Baker, Inc. travelled to Reno at the beginning of June to dismantle the organ in preparation for the renovation and have taken it home with them to Connecticut for safekeeping and evaluation. During Foley-Baker's site visit, we were made aware of the concern that some of our façade pipes were suffering from metal fatigue and a full evaluation of them would need to be done. That evaluation is now complete, and we now know, according to the evaluation, that "several of the façade pipes are collapsing and the metal fatigue has reached the point that it has affected the speech of some pipes. Others have not reached that point yet, but the feet have begun to bow, the areas around the mouths are collapsing and on a few the upper bodies have begun to oval. These pipes need to be repaired or replaced."

While this was not an anticipated expense, it is one that must be included in the entirety of the renovation. There are other enhancements of the organ under consideration so we will be researching potential sources of funding of approximately \$40,000 to repair or replace the failing pipes, build a movable platform to move the organ easily for concerts and extend the console cable so the organ could be placed in the middle of the chancel if desired.

PHISHING ATTEMPTS

Phishing Attempts to the office emails (any name@trinityreno.org) have been proliferating of late. Please be assured that Fr. William and Rev. Ruth are not asking you for favors or money, and we do not litter our emails with "Blessings." Check the email address, not just the name, of the sender. That can often be a tip off. Also, be incredibly careful when clicking on any attachments. Thanks for your diligence!

Centering Prayer

Centering Prayer meets every Tuesday at 12:00 Noon to 1:00 p.m. via Zoom. If you wish to become a part of this "gathering" for personal and corporate Prayers, please contact Joan Peyser by email at "joan.peyser1435@gmail.com" to receive an invite for this Zoom Meeting. We are most thankful for this ongoing ministry of prayer and support. Please feel free to join us; we are made up of members of Trinity Cathedral and folks of other traditions and communities.

A Lot of Good Men (ALOGM)

A Lot of Good Men

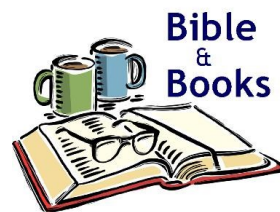

Fred Fowler has offered to host breakfast for up to **six (6)** ALOGM on Saturday, July 4 beginning at 8:00 a.m. Due to the COVID-19 virus, he can safely distance six in his home. Please be sure to wear your mask, and if you are ill or having virus symptoms, please stay home.

FORWARD Devotional Booklets

Most of you probably remember the *Forward* devotional booklets that used to live on the table in the narthex. They are in the cathedral office now, and if you would like us to mail you a copy we would gladly do that. We have regular and large print versions. Just call the cathedral office (775) 329-4279 or email info@trinityreno.org and give us your name (and address if you think we don't have a correct one for you).

Bible and Books

We are pleased to announce that Bible and Books has begun to meet for the first time since the pandemic closed us down. We meet at the same time as before, Sundays at 9:00 a.m., via Zoom. If you are interested in joining us, call Joan Collins (775-772-9532). Rev. Ruth at 329-4279 or revruth@trinityreno.org can also be notified so we can send a Zoom invitation to you. The book being read for these sessions is *The Book of God: The Bible as a Novel* by Walter Wangerin, Jr. While not including all the material which is in the Bible, Wangerin tells the sweep of the biblical narrative through the eyes of various characters. It is a good way to get a handle on all those stories read in church which you have not known how to understand. The book can be ordered from various on-line sources, and of course from our local Sundance Books, which is just a few blocks from cathedral. If you would rather not participate in the Zoom meetings, the book can be read on your own, and Rev. Ruth has a list of the biblical references used in the book which she would be glad to send to you via email or snail mail.

Giving Thanks

From the Daughters of the King

By Carolyn Hoffman

June 16, 2020

Yesterday (“... all my troubles seemed so far away”) I tuned in on our Sunday Service, the first in the Parish Hall. How peaceful it was. The Spirit has transferred his presence to that place.

We all have wondered how this can be – a holiness without the “pomp and circumstance” we usually share in our beautiful cathedral.

When I was about twelve and living in Northeast Georgia, there was no Episcopal church. Then there was a start-up formed in an exceedingly small storefront along main street. Nothing fancy, folding chairs, blank walls. How thankful I was to go with my mother to that place on Sunday, a place of peace and safety. Although Father William has transformed the new worship area for our church, I have that same peaceful, secure feeling and I thank all who have worked to make that happen.

We shall continue to be the Church. What a blessing this trial has been!

The Order of the Daughters of the King are meeting with Zoom during this time of social distancing.

Prayer Shawl Ministry

Because of the Coronavirus we are not meeting in person. We will continue to do our work at home and be in touch with one another. If yarn supplies are needed, please inform your ministry leader.

If **Prayer Shawl** requests are made, individuals will be in touch to determine how requests may be fulfilled.

BABY BUNDLES

“Sharing Our Blessings with Others”

We have no scheduled in-person meetings. If needs arise, a member or two will address them. In the meantime keep one another in prayer, as we also pray for the mothers and families that our ministry supports.

ST MARTHA'S ALTAR GUILD AND LINEN MINISTRIES

The Altar Guild is functioning as a skeletal crew at present since there is a low demand with the two services we are streaming. Father William will continue to express the needs for the various services we will be live streaming to the internet.

If you have any questions, contact Ann Crase, 775-338-6376; Carol Roman, 775-229-3884; Juliette Leneaux, 775-247-7703; or Pat Ikehara, 775-853-7706.

Are you on our Mailing and/or Email list?

Please remember to contact our office at

775-329-4279

or via e-mail at info@trinityreno.org and provide an updated address and/or phone numbers.

Only you can help us keep up to date records and a current cathedral directory.

Thank you!

St. Paul's Food Pantry

St. Paul's Food Pantry

The Community Food Pantry at St Paul's is seeing record numbers of people come to them for assistance at this time. Hundreds of people in the area have lost their jobs, some even their homes. The people deemed at risk are especially vulnerable and in need.

Donation Drop-off Days for July**Tuesday, July 14 and 28**

Morning between 9:30 and 10:30 a.m.
and Evening between 5:00 and 6:00 p.m.

**FEED THE
HUNGRY**

We are most delighted to report that we have had a great response to having members drop off Food Pantry donations in June. Since we are not able to gather these offerings as we had in the past during worship, we are attempting to meet the community needs with this drop-off program. We are delighted to report that we have taken in 16 buckets of food donations, several checks, and had about 30 congregants dropping by.

Food items that are especially of demand are: canned tuna, boxed macaroni and cheese, peanut butter, Ramen noodles, canned meat, granola bars, canned chili, SpaghettiOs and canned ravioli, family size soups, juice boxes, hygiene products, diapers, pet food, cash donations.

We especially thank Marty and Burke Stancil, Gene Muir, and Bonnie Strader for volunteering their time in being here on campus to accept the donations and getting them delivered to St. Paul's Episcopal Church in Sparks.

If you have Food Pantry Donations and are unable to deliver them, please call Bonnie Strader and she will arrange to have a volunteer pick them up. Thank you everyone for assisting in meeting the hunger needs in our community!

Other Giving Opportunities

Because of the large need for food within and beyond our community, the following resources would be organizations for monetary donations for food:

The Food Bank of Northern Nevada
The Rita Jeffres Memorial CROP Hunger Walk
Episcopal Relief and Development
Food for the Poor

We promote and support these organizations. Checks can be made payable to Trinity Cathedral with the particular organization listed in the check "memo" line.
