*Our mission is to welcome all people to know and live as Christ in the world*

**November 2021**

## *From the Dean's Pen ...*

Dear Members and Friends of Trinity Cathedral,

**G**race and Peace be with you from our risen Lord and Savior Jesus Christ. *Amen.*

As I finish up some vacation time with the end of October, take in the beauty of this Autumn time of year, and now move into my sabbatical leave, I am very much aware of the many blessings that I have had and continue to experience. The greatest blessing is having the love and support of so many of you, and the privilege of growing in faith together.

Though the journey of our lives are challenging, our Lord never promised it would be easy, so he promised to always be with us. It is with that faith that we continue our earthly pilgrimage and spiritual journey. We learn, we grow, we are transformed, and as we look back, it has been indeed a rich and wonderful journey! And so we step forward with gratitude.

It has been said that the lesson of this Autumn season is that the leaves teach us “to let go.” We take memories and the blessings with us, and we allow God to continue to unfold the path ahead where once again fertile fields are to be found. My prayers abound for each of you as I ask for your continued prayers also.

With gratitude and great blessings,

*Father William+*

## Generosity

Recently I ran across some notes I took in 2011 while I was attending a church conference in California. The speaker was Mark Allan Powell, a New Testament exegete and (now retired) seminary professor. He was speaking on the well-known passage in Matthew 6:21, which reads, “For where your treasure is, there your heart will be also.” This passage is often misquoted, or perhaps intentionally misunderstood. Folks turn it around and say, “Where your heart is, that’s where your treasure is.” It seems to make good sense. For instance, if your heart is with your family, you will pour your treasures into their welfare and interests. If your heart is with your work, there you will focus your resources. If your heart is with your alma mater . . . You get the idea. Matthew is cannier, however, about human behavior. If we wait until our heart is committed to a person or community, our treasure may never arrive to give assistance to said person or community. Quoting my notes, Powell said: “Where your treasure is, there your heart is. Your heart will catch up when you behave in ways that you want to become. Pretend if necessary. Act in generous ways and you will become generous.”

It’s stewardship season, as you all know by now. I needn’t belabor Powell’s point. Just know that this community known as Trinity Episcopal Cathedral would welcome all the generosity you can muster, even if at this point you are only pretending.

Powell added something else after his comment on this Matthean passage. Again quoting my notes, he said, “To grow spiritually, do these four things: go to church, say your prayers, read your Bible, give generously.” That’s a pretty simple formula and I think all four of those may be things that from time to time require pretending. It’s like eating. Not every meal is wonderfully sumptuous, every bite tasty with nicely paired wines and the company pleasant with nary a single obnoxious soul at the table. Some meals are cheese and crackers grabbed on the run. Both feed the body, and very few of us miss a meal just because every meal can’t be a sumptuous feast. So too, not every worship service attended, every prayer said, every Scripture passage read, will inspire. But we keep showing up for all of it, pretending when necessary.

With Gratitude,

Canon Ruth

# Pipes on the River

I am very excited for the official relaunch of our free organ recital series on Friday, Nov. 12<sup>th</sup> at Noon, featuring Dr. Angela Kraft Cross. This will also mark the first official concert in the Cathedral, following our renovation, and upgrades to the organ console; which now include a moveable platform. Having the console front and center will be great for both performer and audience alike!

## Dr. Kraft Cross Biography – excerpted from her website.

Dr. Kraft Cross has performed extensively on both organ and piano, having given over five hundred concerts across the United States, in Canada, England, Holland, France, Hungary, Korea, Lesotho and Guam, including such venues as Notre Dame Cathedral, St. Sulpice and the Madeleine in Paris, Washington National Cathedral in Washington, D.C., St. Patrick's Cathedral and St. Thomas Church in New York City, Methuen Memorial Music Hall and Trinity Church in Boston, E. Power Biggs' organ at Harvard, and Westminster Abbey, Paul's Cathedral and Southwark Cathedral in London. She has released eight solo CD albums, recorded locally in California as well as in Paris, Lyon and London. Three of her organ albums have received critical acclaim in The American Organist magazine. Her most recent releases include a 2013 CD of her organ compositions entitled *Sharing the Journey*, recorded at the Cathedral of Our Lady of the Angels in Los Angeles and in December 2016, her new *WIDOR chez Widor* album, featuring Symphonies 4,5,6 and 7 on Widor's hometown Cavaillé-Coll organ at St. François-de-Sales in Lyon, France. Her organ recordings can be heard on Pipedreams with Michael Barone on American Public Media. She has served as the organist of the Congregational Church of San Mateo since 1993, and is currently the Artist in Residence. She is also a regular organ recitalist at the California Palace of the Legion of Honor in San Francisco. In addition to her musical career, Dr. Kraft Cross retired in 2011 having worked for 22 years as an ophthalmic surgeon at the Kaiser Permanente Hospital in Redwood City, and now volunteers as an ophthalmologist at Samaritan House in Redwood City. November is often referred to as the "season of gratitude." As part of my recovery journey, I'm deciding daily to find positives and acknowledge blessings. It's been challenging to say the least, but I'm grateful for the marked improvement in both mobility and stamina each day. I'm grateful for the breathtaking beauty of Autumn in Reno! I'm grateful for the many health professionals who've shown great kindness and provided excellent care. And, I wish space allowed listing many more things. Finally, I must share immense gratitude for my dear friend, Dr. Hentus van Rooyen, who came to visit Oct. 20-23, on a mission of encouragement. I look forward to sharing his marvelous organ playing in a future *Pipes on the River* concert!

**Elizabeth Bonforte Gardner elected bishop of Nevada**

*Posted Oct 11, 2021 – Episcopal News Service*

The Rev. Elizabeth Bonforte Gardner was elected as the eleventh bishop of the Episcopal Diocese of Nevada on Oct. 8, 2021.

Gardner was selected from a slate of four candidates after a discernment process spanning almost two years. Beginning with a list of interested applicants, a diocesan search committee reviewed and selected the candidates to put before the church. The balloting process required a 50-percent-plus-one vote occurring simultaneously from the two voting bodies. The voting members are lay delegates from each parish in the state and voting clergy. Gardner was selected on the fourth ballot.

“This discernment brought four wonderful, gifted candidates,” said the Rt. Rev. Jim Waggoner, assisting bishop to the Diocese of Nevada. “Through meditation and prayer, our voting clergy and delegates selected the person who will serve the Episcopal Diocese of Nevada in her many-faceted needs and potential. We welcome Rev. Gardner and look forward to having them as part our church family.”

Gardner, currently rector of St. Mark’s Episcopal Church in Alexandria, Virginia, founded Potomac Episcopal, a collaboration of four churches that banded together during the pandemic to expand pastoral and missional work in the community.

“To the three other candidates, we are deeply grateful to you for your willingness to have invested your time and energy in this process. You have each brought us new insights into who we are, and how the Spirit is moving among us. We have been blessed by the experience of getting to know you and have been strengthened and encouraged by your presence. We wish you the best and know you will continue to carry forth the work of the church,” Waggoner said.

Gardner will be consecrated bishop on March 5, 2022 in Las Vegas. This ceremony will position her to assume responsibilities for the pastoral and administrative work of the diocese. The Most Rev. Michael Curry, Presiding Bishop, will officiate at the consecration.

A MESSAGE FROM THE  
CONTEMPLATIVE PRAYER GROUP

I will set a table  
 For my soul  
 Among the trees  
 Quiet, I will wait  
 Beneath a canopy of leaves

Let stillness be the table  
 Let silence be the cloth  
 Let sunlight be the service, gleaming  
 My seat a bed of moss

I will set a table  
 For my soul  
 Out in the wild  
 Calling her to come  
 And play, as if she were a child

Let soft winds be the music  
 Let flowers be the dance  
 Let butterflies be our hearts, weaving  
 Patterns out of chance  
 I will set a table  
 For my soul

In forest glade  
 Inviting her to rest  
 And feast, on Bread  
 No hands have made

Let wonder be the blessing  
 Let laughter be the prayer  
 Let forgiveness be our cup, healing  
 And let Love be the fare

I will set a table  
 For my soul  
 Where woods are deep  
 And wide enough for two  
 Or more, so you can sit by me

WOULD YOU LIKE TO BE A PART OF THE CIRCLE  
OF FRIENDS?

Circle of Friends is a group of about ten people who commit to daily check-in phone calls with each other. This is how it works: You are given one name to call. You call this person, usually in the morning, to check

in on them; how they are, what's going on for the day, etc. If for some reason you can't reach your person, there's a system in place to do a further check. In turn, you also receive a phone call from someone

who checks in with you. Every so often, the leader of the group switches the names around, so you have a "new" person to call and you have a "new" person checking in with you.

*If you would like to join this group, contact Dorothy Walrath, 775-829-0568 or [walrath1@aol.com](mailto:walrath1@aol.com).*

## UPDATE ON 2021 ANGEL TREE PROJECT

The Daughters of the King have started working with the counselors at Stead Elementary School, receiving a list of about 120 names of children who could use our assistance this Christmas. Debbie Zalmana has sent the Family Assistance Request forms to the school, and the counselors have sent them to the parents to fill out with each child's information, and return by October 21. Debbie will then be making individual angels with the information for each child on them. When she has done all this data entry, the parishioners will get a notification with all the details on how to adopt an angel. The process will be done through email, like we did last year. Stay tuned for more updates!

**Next Meeting:**

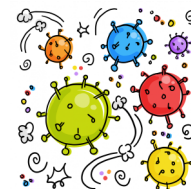

**Sunday, November 14, 12:30 PM**  
**Zoom and In Person (Conf Rm A)**

**COVID Protocols****Baptisms****New Members Event****Our COVID Protocols:**

As we have moved back into our Cathedral space, we will be under the same protocols and procedures that have been in practice since we opened for in-person worship in the Parish Hall since the month of May. Additional changes occurred in July as our Governor, CDC, and our Diocesan Office addressed the surge with the Delta variant, that masks must be worn indoors and that we cannot be singing.

Our requirements for worship services and any activity on campus are:

- ♦ **We are wearing masks at all times in-doors.**
- ♦ **Adults and children 12 and older are required to be vaccinated.**
- ♦ **Worshippers must sign in at the door** (A contact list is required. If a break-out case would occur, we would be able to notify attendees of a need to quarantine) .
- ♦ **We are able to handle only 100 worshippers at each service.**

### **Baptisms to be Celebrated on Sunday, November 7th All Saints Sunday – 11:00AM**

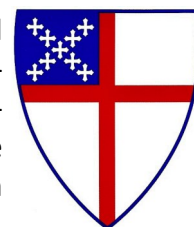

We will observe All Saints Sunday with Baptisms as we ourselves renew our baptismal vows. This important “entrance rite” brings us into covenant with our Lord as we seek God’s grace to guide us in our life and faith pilgrimage. If your child is not listed below, please be in touch with me that we may have the appropriate paper work and preparations completed before the November date. Thank you, Fr. William

### **NEW Members to be Received Sunday, November 14th**

Prior to the pandemic closures in 2020, we were prepared to perform several baptisms and formally receive new members. Easter 2021 presented us with the same situation, no potential to gather in-person. We are now back in the Cathedral space, and we are planning to finally achieve this spiritual milestone for many who have patiently been standing in the wings. The following names are the individuals being received primarily coming to us from other denominations and being received by “Affirmation of Baptism.”

Since Bishop Jim Waggoner cannot be with us, we have a Zoom Meeting with him in which he will speak with each individual and we will do the actual “Rite of Reception.” On Sunday, November 14<sup>th</sup>, at the 11:00AM service, Father William will be able to pronounce their reception and have the congregation welcome them. These individuals are:

## Ministry Moment #4

## Services to Return

*"Every generous act of giving, with every perfect gift, is from above..." James 1:17, NRSV*

The theme of every perfect gift for this year's stewardship campaign has us all reflecting on gifts that we've given and received. I am giving this Ministry Moment today as a Sunday School (SS) teacher.

As I reflect on being a Sunday School teacher at Trinity, I think of being a SS student as a child. I remember very distinctly the year the church gifted me a bible as a commemoration of my growth as a Christian. It was heavy and gold. And I felt the warmth and love of my church family when I, and my fellow 3<sup>rd</sup> graders, received that gift during a church service.

Your generous gifts over the last 15 years have enabled Trinity to grow our youth education program immensely. What drew me to Trinity 14 years ago was that same feeling of warmth and unconditional welcome. All the children were included in the whole of our service and they were loved by this church family. It was an honor to become a SS teacher as we developed the separate space for deeper learning of the Christian faith, first on Wednesday afternoons and then moving it to Sundays after the 9AM service. It is a joy to work with all of the dedicated volunteers who serve as SS teachers and with our Christian Education Director, Judy Landis. It is amazing to witness the *Spirit* work within our children in the program that includes toddlers to teens. Without your generous and sustained gifts, this program would not be able to offer so much to families in our parish.

As anyone can tell you, it would be unusual for me to speak to you without mentioning my own children. So, I close with a story about a gift my girls received when they were four and six years old. It was Christmas and my in-laws had come over to our house to open gifts and have breakfast with us that morning. They gave the girls each a card as a gift. Cards are not very exciting to four and six year-olds, so I was anxious that they would express their gratitude for the gift. The girls opened up the cards and inside were two perfectly pressed \$100 bills, which was amazingly generous. As they saw what was inside, their eyes grew bigger. Olivia grabbed the bills, let the card drop to the floor, raised one bill in each hand and yelled: "Wow! Two whole dollars! Yesss!" as she shook the bills triumphantly!

Please know that whatever amount you are able to generously pledge to financially support Trinity is enthusiastically appreciated and supports our ability to give the children of our parish family a warm and safe place to grow in God's unconditional love.

*Kait Flocchini*

### Former Weekend Services to Return

At its September meeting, the Trinity Vestry recommended canvassing parishioners who previously attended the 5:00PM Saturday and 7:30AM Sunday weekend services to determine their interest in returning to in-person worship. The results of the canvas revealed a strong desire to see those services return. In addition, there was enthusiastic support from Trinity's clergy and staff. Subsequently, Vestry at its October 19 meeting voted to re-establish 5:00PM Saturday and 7:30AM Sunday in-person worship effective November 20 and 21. While desirable to begin those services sooner, it takes time to develop the procedures and to confirm the necessary clergy to participate. With this decision, all our pre-COVID weekend worship services will have returned. Return of other midweek services is under study and consideration.

## Vestry Report

## Finance Report

## Vestry Minutes Summary—October 19, 2021

The Vestry met using Zoom Meeting. The meeting began with reading of the Cathedral Mission Statement followed by establishment of a quorum at 7:05 PM. The October agenda was amended, and the minutes of the September 21, 2021, Vestry meeting were approved. **Financial Matters:** Lindsay Campbell, Assistant Treasurer, reviewed the September 2021 Financial Statements noting that income was below budget for the month but on a year-to-date basis was on target. It was noted we are still awaiting completion of the 2020 audit by the diocese. It was also noted that with the transition to a new Dean and Rector the Cathedral will be required to complete a full audit. It was reported the CARES Relief loan has been forgiven and the funds appropriately recognized in the Statement of Financial Position. Terry Cain, Junior Warden, reported the Faith Like a River Budget for the renovation project is anticipated to be under budget once final calculations are completed. **Committee Reports:** Terry Cain reported the Finance and Administration Committee has approved a contract with Pinnacle Heating and Air Conditioning for replacement of three thermostats in the Cathedral building at a cost of \$1,592.60 and for an updated maintenance agreement in the amount of \$3,300 for the new HVAC system and other ventilation systems. Terry also reported for the Property Committee that the new external video surveillance system is largely installed. It is anticipated when the new fire detection system is updated that our property insurance company will review the facilities and possibly decrease our premium cost. Jim Lamb, Senior Warden, provided a report for the Cathedral Building Renovation Committee which noted that all pew cushions have now been delivered, and the necessity for additional electrical outlets in the chancel area is being addressed. He also noted additional lighting will be installed in the chancel area. Vestry discussed details of memorial plaques that were in the Cathedral prior to the renovation. The matter was referred back to the committee for further consideration and a full recommendation to Vestry at it the next meeting. Concern was expressed regarding the difficulty of easy opening of the ADA accessible bathroom doors. **Old Business:** Terry Cain reported on the scheduled meetings with HolyCow! Consulting for further work on the results of the survey completed in June. Jim Lamb reported that parishioners who regularly attend the Saturday 5 PM and Sunday 7:30 AM services were interested in having in-person services. He also noted that staff is enthusiastic in their support for the services.

Vestry approved return of in-person services for the Saturday 5 PM and Sunday 7:30 AM services to begin on the weekend of November 20-21, 2021. The details of procedures and preaching Rota will be addressed by the wardens and clergy. Jim Lamb reported that Trinity received a grant from the Orvis Foundation in the amount of \$76,241 for expenses associated with the renovation of the Cathedral pipe organ. The Cathedral is greatly appreciative of the significant support it has received over the past several years from the Orvis Foundation that has amounted to over \$225,000. Terry Cain reported the Trinity Website is now fully operational. Margaret Zuccarini provided an update on the Stewardship campaign, Every Perfect Gift. She reported there will be ministry moment speakers scheduled during the weekly services as well as weekly reminders in The Carillon publication with mailings to members without email addresses or Internet access. A mailing has been sent out almost 300 households and pledges are already coming in. She also noted that pledge information is on the Trinity website. Carolyn Hoffman reported the Daughters of the King are organizing the 2021 Angel Tree Project. She reported approximately 133 children will receive gifts this year. The distribution of the “tree tags” will be via email. The start of the distribution of tags will be on November 1 and gifts will be delivered to the school on December 13. **New Business:** Jim Lamb reviewed the Trinity bylaws related to the nominations of new members to vestry. The committee membership consists of the retiring vestry members and two members at large elected by the parish at the Annual Meeting. This year’s Nominating Committee consists of retiring vestry members Howard Bennett, Lindsay Campbell, Jim Lamb, John Lilley, and at-large members Robert Andrade and Juliet Leneaux. Howard Bennett has agreed to chair the committee. The committee will also propose nominees at the January Annual Meeting for the at-large members for the 2022 Nominating Committee and delegates to the 2022 diocesan convention. Vestry discussed publishing an “open call” for anyone interested in serving for any of these open positions. Jim Lamb noted the wardens are in discussions with the diocese regarding the ceremony for Seating of the Bishop in the Cathedral that will take place at some time following the consecration scheduled for March 5 in Las Vegas. The meeting adjourned at 9:30 PM. The next regular Vestry meeting is scheduled for Tuesday, November 23, 2021, at 6 PM with the venue to be announced.
